

... because it's just fun!

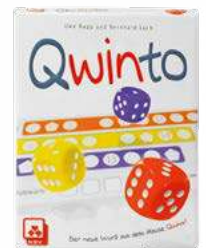

## Qwinto - the Cardgame

*...simply excellent!*

Our award winning dice game Qwinto (recommendation list – Game of the year 2016) conquered the hearts of all players. Now available, Qwinto – the card game. Just as easy and exciting as the dice game. But in this version, every player makes his own luck. More tactical features, more influence and of course no waiting times.
