

## The Mind

Fulfilling a mutual goal, but without using a single word - POSSIBLE! And extremely funny. Go on a journey together with your team and become one. Play number cards, but do not make mistakes. Speaking is forbidden - concentration highly recommended! With this game, it's not important to keep an eye on the cards, but be aware of the players. If you're not playing in the right order you will lose a life. Open up yourself for this team experiment and you will definitely not regret it.
