

# OHANAMI

... because it's just fun!

It is spring and in Japan are the cherry trees blooming. Astonishingly, people are watching and celebrating this transient beauty. This is called OHANAMI in Japanese.

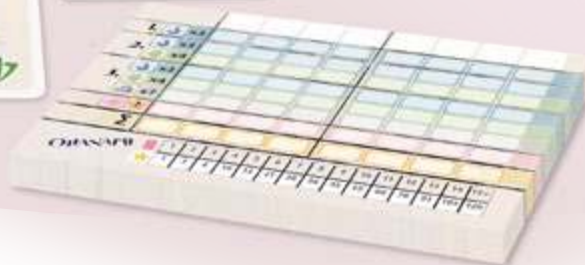

In this game, you become the creator of the fantastic play. Create gardens and create a worthy environment for the blossom dream.

Decide round by round which objects and plants fit in your gardens. But only the right arrangement makes everything a harmonious whole.

OHANAMI is easily played - and yet full of tricky decisions.
