

# Anubixx

... because it's just fun!

Didn't you always want to be a builder and build a big pyramid? Then Anubixx is exactly the right game for you.

Erect massive structures with absolutely no waiting time, because someone rolls and everybody joins in the building! And if the dice don't fall as you want them to, the quarry will help you. But you will only gain the favour of the Pharaoh and win the game if you keep your eyes on the bigger picture and don't waste your precious stones.

**Anubixx – look carefully and choose cleverly!**
