# SNOWHERE

## A changing world!

The world is on fire! It's time to turn the tide and put out the fire. Turn the cards into heavenly snow to cover the flames. Where the snow ends up requires planning and oversight. Can you save the world? As a new member of the NATURELINE, SNOWHERE creates a cooperative card puzzle of a special kind.

Age: from 8 years

Players: 1+

# Qwinto

As a recommended game of the year 2016, QWINTO is in no way less exciting than our awardwinning bestseller QWIXX. Simple, just as thrilling, and yet excitingly different. Again, there's no waiting time - one rolls the dice and it's everyone's turn. Whoever cleverly enters the diced numbers in the three color rows, scores bonus points and may win. As part of the new NATURELINE, QWINTO guarantees not only great fun, but also a sustainable gaming experience.

Age: from 8 years

# Quantum

As the third part of our award-winning dice game hits QWIXX and QWINTO, QWANTUM joins the new NATURELINE. Just as simple. Just as exciting. And of course without waiting times.

A tightrope walk between ascending and descending numbers decides everything. Don't be too greedy, add a bit of luck, have a lot of fun and be 100% plastic-free and sustainable at the same time.

Age: from 8 years

# THE GAME

As another classic, THE GAME must not be missing from the new NATURELINE. In the 2015 nominated for the game of the year card hit, the game is the opponent. Agreements and joint action are required to place all 98 cards in the right order on the piles. Even if the rules are super simple – it won't be easy. Always challenging, exciting and now also 100% plastic-free.

# The Mind

THE MIND is more than just a game. It's an experiment, a journey, totally simple and the most ingenious team experience. You are not allowed to communicate or exchange information. And yet it works – but only if you manage to merge your minds. This award-winning experiment enriches the new NATURELINE as a sustainable group experience of a special kind.

# illusion

Can you trust your eyes? How much color do you really see? Exactly these questions are what ILLUSION is all about. The rules are so simple that you can get started right away. Small versus big, young versus old. But who can be fooled? Who has the insight? Surprising. Fascinating. And as part of the new NATURELINE now 100% plastic-free as well as made from environmentally friendly materials.
